

# Vanpool Alliance Participation Agreement

## Terms and Conditions

This agreement sets forth the terms, conditions, and responsibilities of the program participants in the Vanpool Alliance program. The Program is administered by the Potomac and Rappahannock Transportation Commission (PRTC). The Participant shall refer to all persons or institutions that sign the agreement and have been approved for participation. Each Participant has read, acknowledges, and agrees to abide by the following terms and conditions.

## Voluntary Participation

Participant shall be considered a volunteer under the law, and does not have any status as an employee or contractor with PRTC. Participant acknowledges that participation in the program is voluntary and that such participation is not acting in or required by the course of official company business, nor does it in any manner establish an employer - employee relationship with PRTC. Program Participants are required to sign the Vanpool Participation agreement and it is based upon that signature that the \$300 monthly reimbursement is made.

## Participant Reporting Responsibility

Participant shall record and maintain daily and monthly records as required by PRTC using the required forms and formats as provided by PRTC and shall submit required data as instructed and scheduled by PRTC.

## Allowing Public Access

Participant shall act to ensure that no person or persons shall be denied the opportunity to participate in, nor be subject to discrimination in the conduct of the vanpool because of race, creed, sex, age, ethnicity, disability, or employer group.

The Participant understands that the Program provides a referral service for those interested in riding in a vanpool that is open to the general public and makes no claims as to the background or character of referrals. The Program shall have no liability or responsibility for acts of omission of vanpool passengers or referrals.

## Participant Violation of Agreement

The Program retains the right to pursue actions against any Participant that acts in violation of this agreement, misrepresents vanpool operation, or engages in inappropriate use of the vanpool and/or the

Program affiliation. The Program may take actions including, but not limited to, discontinuing the Participant's enrollment, pursuing claims against the Participant, and seeking prosecution of the Participant.

## **Program Indemnification**

The Program, its officers, or employees shall not be responsible for any damage or liability occurring for any reason to anything done or committed to be done by the Participant under or in connection with any work performed by and or services provided by the Participant, their employer, officers, agents, employees and subcontractors under this Agreement. The Participant shall fully indemnify, defend, and hold The Program and PRTC and its officers, agents, and employees harmless from and against any liability and expenses including without limitation, defense costs, any costs or liability on account of bodily injury, death or personal injury of any person or for damage to or loss of risk of property, any legal fees and any claims for damages of any nature whatsoever arising out of Participant's participation in the Vanpool Alliance program, including without limitation (i) breach of Participant's obligations under this Agreement; or (ii) any act or omission of Participant, or their employer, officers, agents, employees, or subcontractors in connection with its participation in the Vanpool Alliance program. Nothing in this Agreement shall be construed to give rights to any person or entity that is not party to this Agreement.

## **Vanpool Alliance Participant Guidelines**

The Vanpool Alliance program is a cooperative effort among the George Washington Regional Commission (GWRC), the Northern Virginia Transportation Commission (NVTC) and the Potomac and Rappahannock Transportation Commission (PRTC), designed to broaden commuter travel options through increased vanpooling, reduce peak period traffic congestion, and improve air quality in the region. The program is administered by PRTC.

## **Eligibility**

The Vanpool Alliance program provides a monthly program participation payment of \$300<sup>1</sup> to vanpools with a maximum capacity of 7-15 passengers that have origins and/or destinations in or travel through the Northern Virginia Region (as defined in Fig 1.0), are not currently participating in a vanpool payment program (other than Virginia's VanSave or VanStart programs) and have completed a Program Application, signed the Participant Agreement and been approved by the program. Services that are not open to the general public (for example, shuttles or vanpools whose ridership is restricted to a single employer or institution) are not eligible.

---

<sup>1</sup> The Program reserves the right to revise the monthly payment amount at any time during the term of this agreement.

## Participant Termination

Any changes or additions to the Agreement must be in writing and signed by all parties. The captions or headings on any paragraph in this Agreement are for reference only and do not affect any of the terms and conditions of this Agreement. Nothing in this Agreement shall be construed to limit the right of the Program to adjust or modify its services or perform any other lawful functions.

- c) The Program is authorized to promote, advertise, and release to the general public vanpool route information, seat availability and participant e-mail and/or telephone contact information for passenger solicitation purposes.

## **Term of Agreement**
